Hello Neighbours:

A quick update and reminder: We all have an obligation to Rossland Ridge as members of this fabulous community. Each of us has signed up to commit to 4 hours of volunteer work, a month. There are a few ways to do this.

- Yard and common areas, clean up.
- Get involved in any one or more committee.
- Join the Board of Directors

When you complete a task, or attend a meeting be sure to document and submit your hours. This all helps keep the costs of running the Co-op, lower, which benefits all of us.

Also, there was some suggestion of possibly renting a bin or arranging for a large garbage pick up for Spring cleaning. At this point, after some research and discussion with the board, it has been decided that the best solution would be for each member to arrange for removal of their own large garbage items. The conclusion comes after learning that the bin rentals are very costly and making fair arrangements for every member to make use of this, would be extremely difficult. Also, City of Oshawa was contacted and we as a co-op (not individual units) have 2 free pick-ups a year for both 909 and 899 Rossland Rd. This is great but unfortunately the city only allows 12 items, small or large for pick up. It is felt that this would also be very difficult to manage. If you have ideas or suggestions I would encourage you to share with your board of directors. Please note that large items such as electronics and furniture are not permitted in our everyday garbage bins. Waste management frowns on this and can refuse to take our garbage.

Thanks for your continued cooperation.

Zoom meeting, Friday May 7th 7pm. To receive a link to the meeting please email rrlandscapecommittee@gmail.com or if you are on the Rossland Ridge Facebook group, the link will be posted there as well.

Shed keys are available at units 18, 25, 31 and 56

Exciting news there is a new riding lawn mower in the shed!
DO NOT USE WITHOUT TRAINING! You can ask for training from Tom at unit 18 or Shawn at 16.

We also ask everyone in the co-op to pitch in and clean up where they can. If you are cleaning a common area you can get yard waste bags from the shed.
